FR12 Self Levelling Container Ramp

CE

- 12T Capacity
- Australian Made heavy-duty construction
- Safe, reliable, sustainable

FR12 12T Capacity Self Levelling Container Ramp

Container Ramp 12 Tonne is designed for bridging into a standard shipping container from ground level loading and unloading of 20 foot and 40-foot shipping containers.

- The self-levelling lip allows for full load capacity when on slightly uneven ground.
- Heavy duty construction with RHS bracing and 6mm checker plate to ensure the ramp will take frequent use without sagging and losing shape.
- Australian Made heavy-duty construction

Warranty: 5 Year refer to the JIALIFT warranty terms and conditions
