HTF-U

Low Profile Electric Scissor Table Lifter

- 1000kg Load Capacity; U shape
- Min-max table height: 80 – 840mm
- Safe, reliable, sustainable and low maintenance

1T Low Profile Electric Scissor Table Lifter (U Shape)

- This “U” shaped lift platform is ideal for lifting pallets or cages to safe working height and suitable for use as a feeding table on an assembly line.
- High-quality heavy-duty steel construction with powder coated paint finish.
- Supplied with remote power system and control unit with UP, DOWN, and EMERGENCY STOP controls.
- The ‘U’ shape allows a pallet truck to position the pallet/cage onto the lift platform.
- Overload by-pass valve protects the operator and the cargo.

Warranty: 1 Year refer to the JIALIFT warranty terms and conditions
