## AC685x1800 Extra Long Hand Pallet Truck

CE

- 2000kg Capacity, fork width - 685mm
- Easy to operate
- Safe, reliable, sustainable and low maintenance

## JIALIFT Extra long 1.8m Hand pallet truck (2T/685mm)

- This AC685x1800 extra long pallet truck is a high-quality pallet truck with a capacity of 2000kg.
- In Jialift Australia, all AC type equipment adopts the integrated casting process and the overall seal design.
- With the high-quality imported components for key parts, the pump can't leak even when the seal on the pressure cylinder breaks. All the piston rods are chrome plated, which makes them good enough for heat resistance and hardness.
- Unlike the scattered parts, the pump valve core with the overall design is convenient for maintenance. With the overload protection on the valve, the pump can't lift when overloaded.

**Warranty:** 1 Year refer to the JIALIFT warranty terms and conditions
