ACS20-540 Hand Pallet Truck With Scales

CE

- 2000kg Capacity, fork width - 555mm
- Easy to operate
- Safe, reliable, sustainable and low maintenance

JIALIFT Hand Pallet Truck With Scales 2T Capacity

- AC type adopted the integrated casting process and the overall seal design, with the high-quality imported components for key parts, the pump cant leak even when the seal for pressure cylinder breaks. All the piston rods are chrome plated, which makes them good enough in heat resistance and hardness. Unlike the scattered parts, the pump valve core with the overall design is convenient for maintenance. With the overload protection on the valve, the pump cant lift when overloaded.
- High accuracy, maximum error 0.5% of capacity, even with floor conditions that are not optimal.
- Totalising function, adds up multiple pallet weights to the total weight, also for avoiding overloads.
- Built in rechargeable battery.
- The automatic sleep mode assures that 4200 weighing actions can be taken.
- High contrast display, the display can be read from any angle.
- Big function keys that "click", the operator senses a "click" movement, even when working with gloves.

Warranty: 1 Year refer to the JIALIFT warranty terms and conditions
